

# BREA BEAD WORKS

## CHARMED SAINT NICK

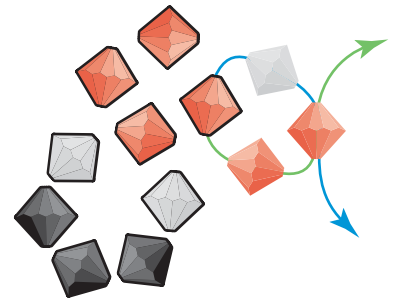

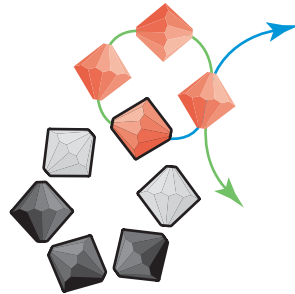

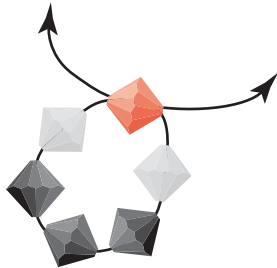

### MATERIALS

- ▷ Bicone crystals; 3mm or 4mm
  - Siam or light siam [32 qty]
  - White opal [45 qty]
  - Black [6 qty]
  - Light Peach [8 qty]
- ▷ Seed beads; 11°; black [4 qty]
- ▷ Cell phone cord [1 qty]
- ▷ Illusion cord

### TOOLS

- ▷ Scissors

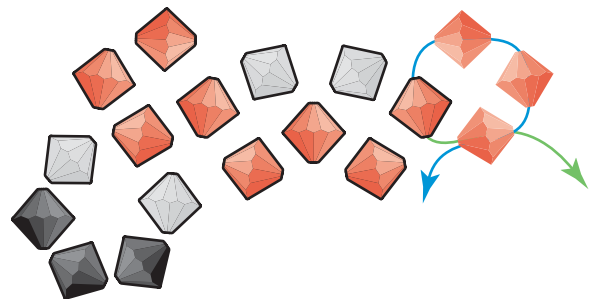

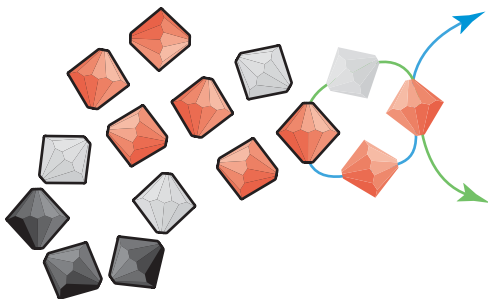

*right angle weave*

**1.** Using 4 feet of illusion cord, thread on bicone crystals in the following order: 1 red, 1 white, 3 black, 1 white. Position crystals at center of cord and insert tail cord through first red crystal forming a loop.

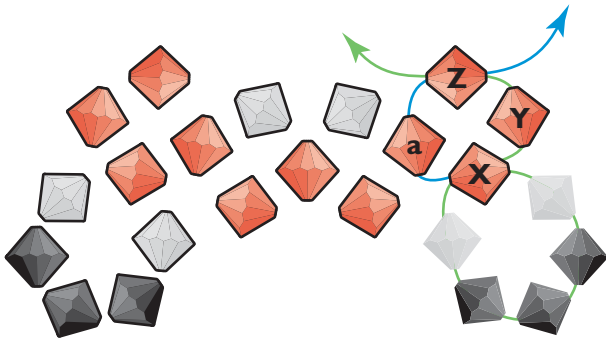

**2.** On **green** cord thread on 3 red crystals. Insert **blue** cord through third red crystal just added to green cord.

**3.** On **blue** cord thread on 1 white and 1 red crystal. On **green** cord thread on 1 red crystal and insert through red crystal on blue cord.

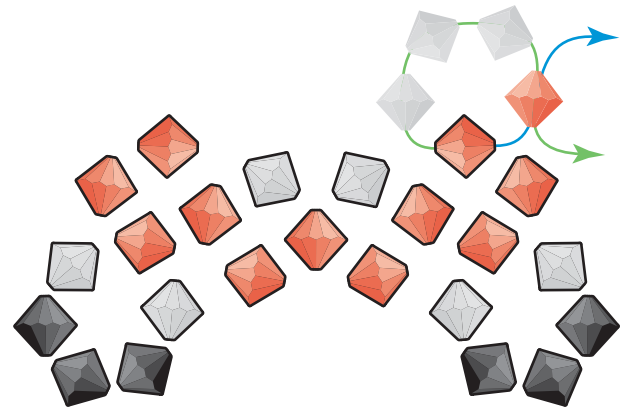

**4.** On **green** cord thread on 1 white and 1 red crystal. On **blue** cord thread on 1 red crystal and insert through red crystal on green cord.

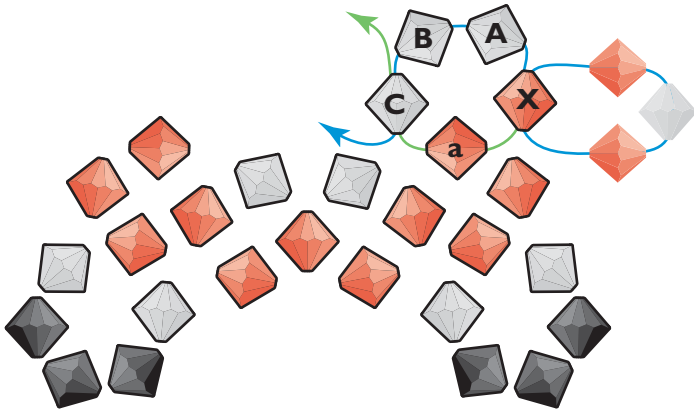

**5.** On **blue** cord thread on 3 red crystals. Insert **green** cord through third red crystal just added on blue cord.

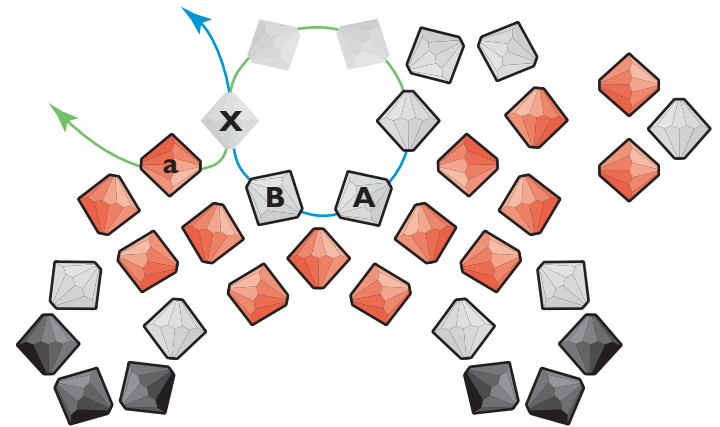

6. On green cord thread on 1 white, 3 black, and 1 white crystal. Loop back through red crystal "X" that you started from and form a loop. Navigate green cord through existing 2 red crystals "Y & Z" on right. Insert blue cord through existing 2 red crystals "a & Z" on left.

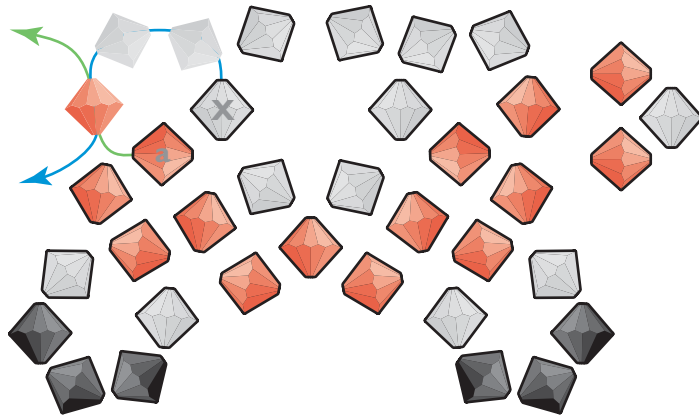

7. On green cord thread on 3 white and 1 red crystal. Insert blue cord through red crystal just added on green cord.

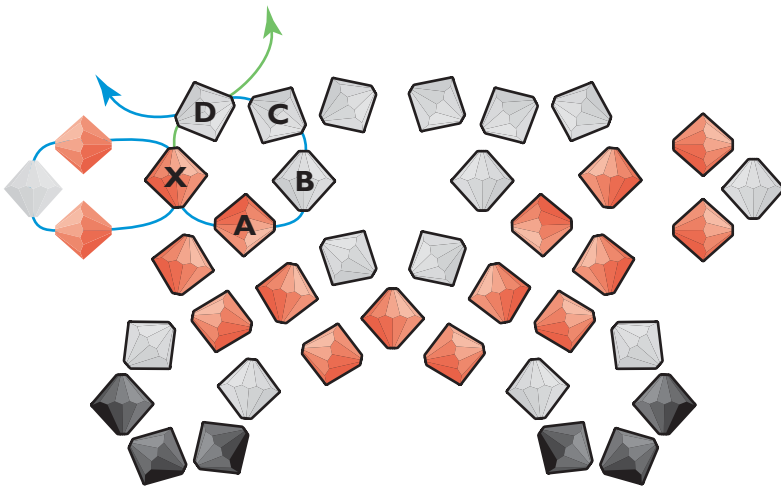

8. On blue cord thread on 1 red, 1 white, and 1 red crystal. Loop back through red crystal "X" that you started from and form a loop. Navigate blue cord through existing 3 white crystals "A, B & C". Navigate green cord through existing red and white crystals "a & C".

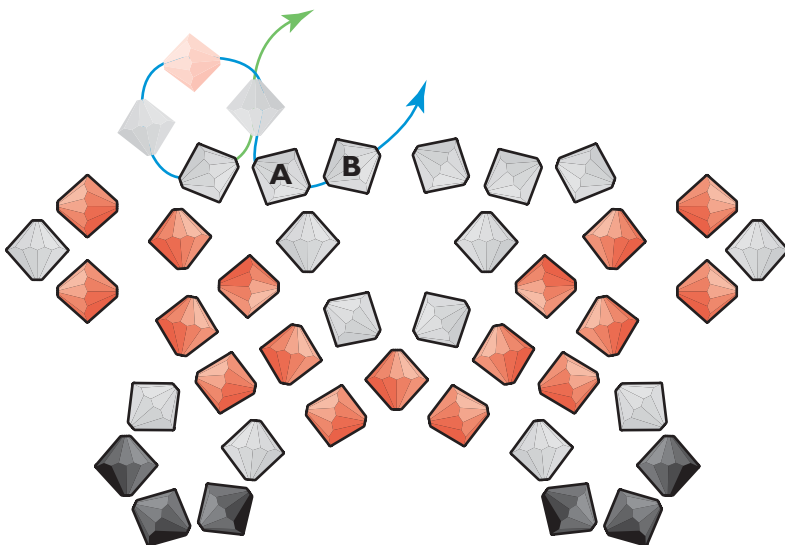

9. On green cord thread on 3 white crystals and insert through existing red crystal "a". Navigate blue cord through existing white crystals "A & B" and exit out of third white crystal "X" just added on green cord.

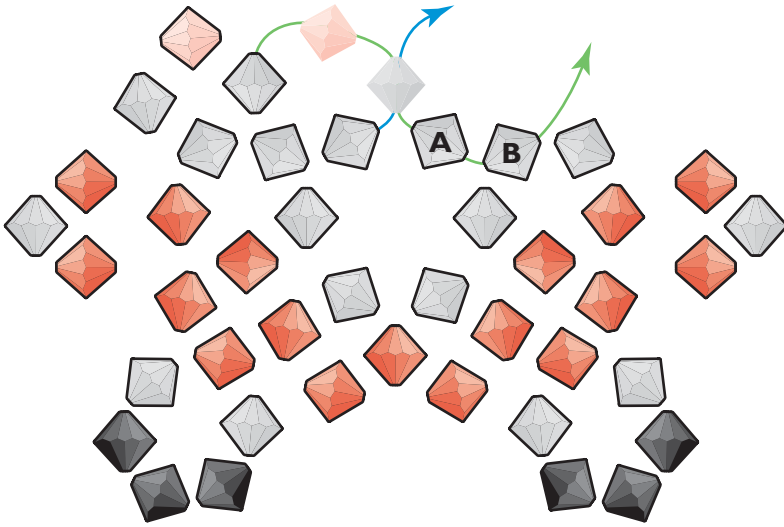

**10.** On **blue** cord thread on 2 white and 1 red crystal. Insert **green** cord through red crystal just added on blue cord.

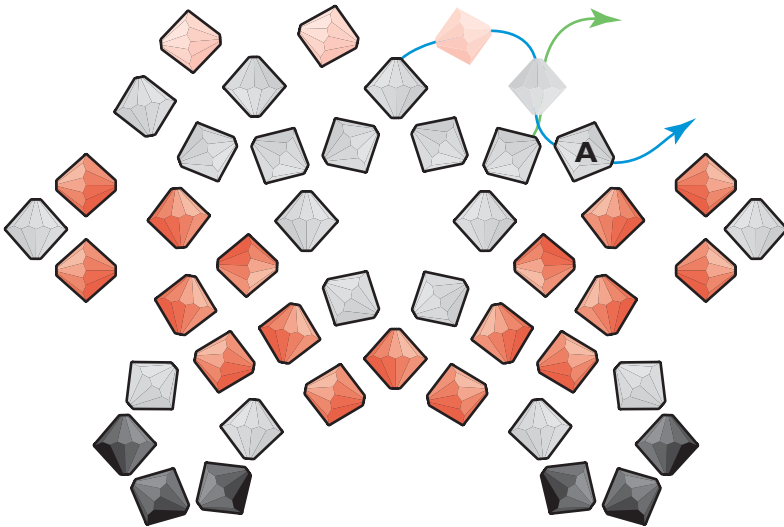

**11.** On **blue** cord thread on 1 red, 1 white, and 1 red crystal. Loop back through red crystal "X" that you started from and form a loop. Navigate blue cord through existing 1 red and 3 white crystals "A, B, C & D. Navigate **green** cord through existing white crystal "D".

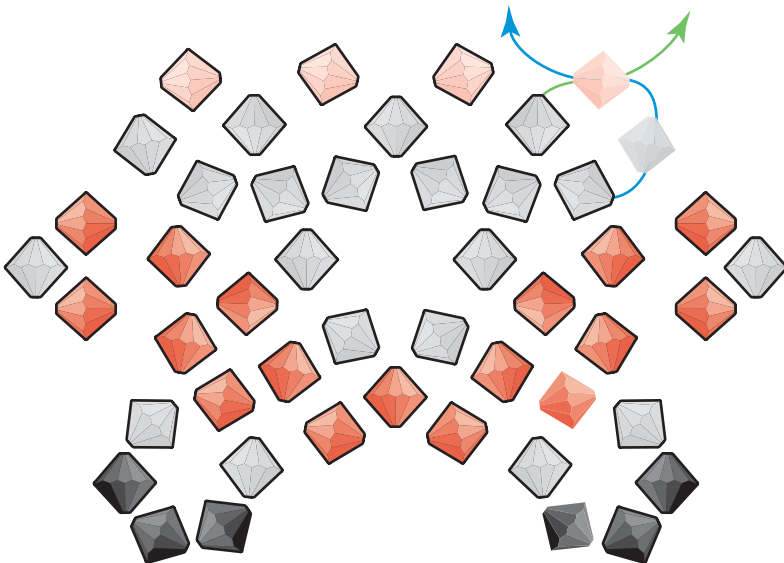

**12.** On **blue** cord thread on 1 white, 1 peach, 1 white crystal. Navigate blue cord through existing 2 white crystals "A & B". Insert **green** cord through last white crystal just added on blue cord.

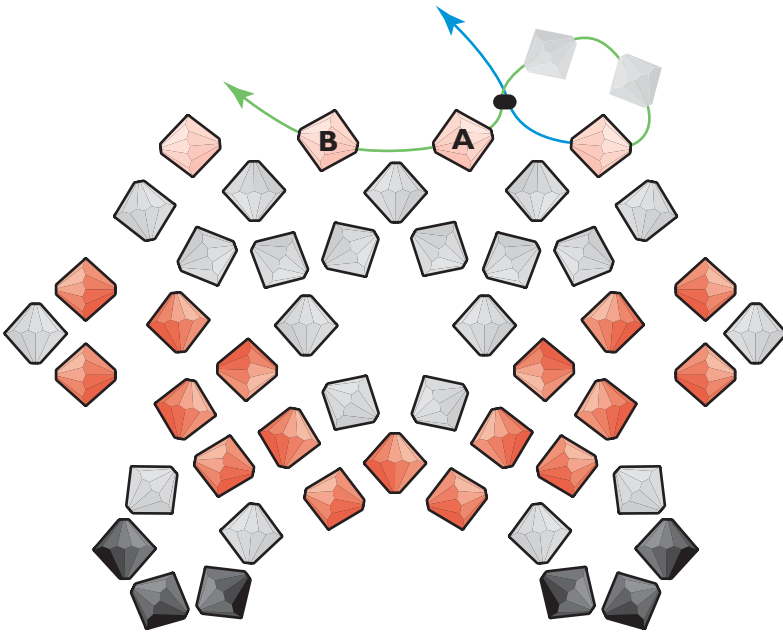

**13.** On **green** cord thread on 1 peach and 1 white crystal. Navigate green cord through existing 2 white crystals "A & B". Navigate **blue** cord through existing white crystal just added on green cord.

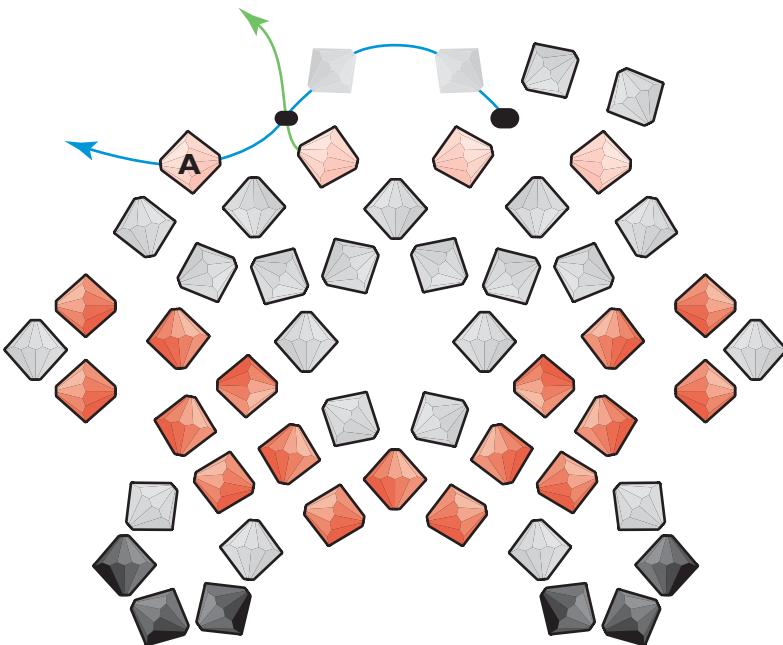

**14.** On **blue** cord thread on 1 peach and 1 white crystal. Navigate blue cord through existing white crystal "A". Navigate **green** cord through white crystal just added on blue cord.

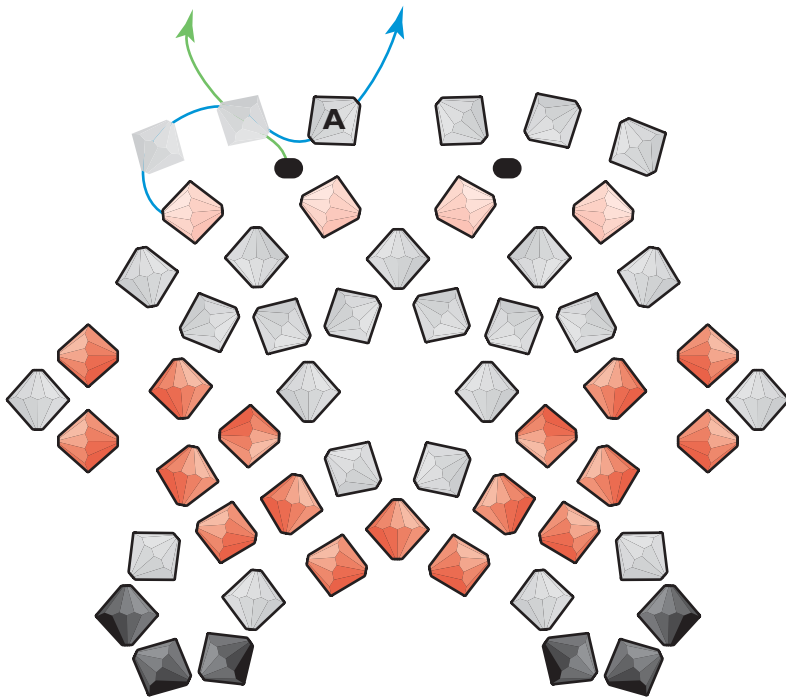

**15.** On **blue** cord thread on 1 white and 1 peach crystal. Navigate **green** cord through peach crystal just added on blue cord.

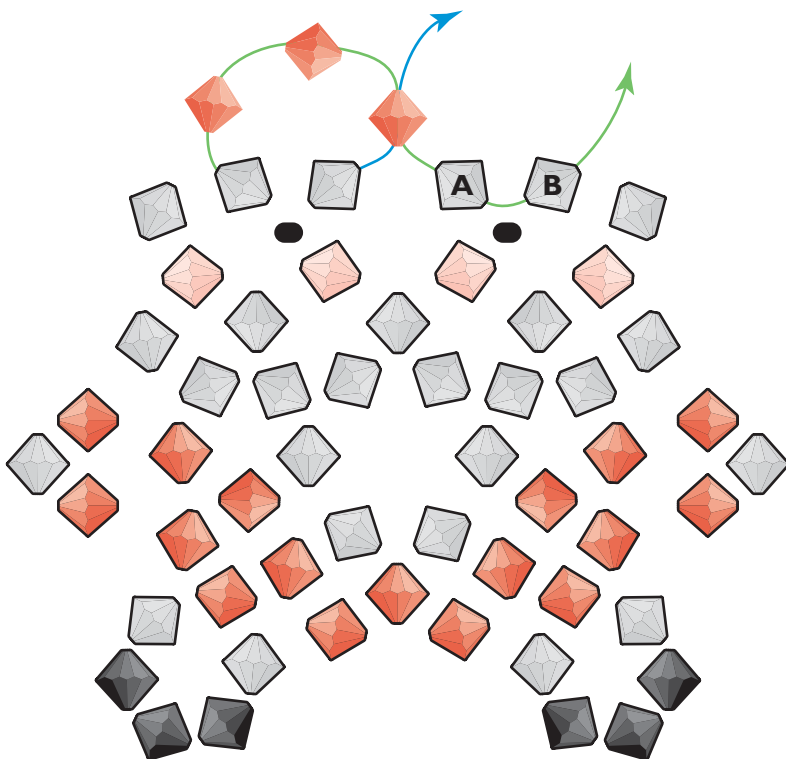

**16.** On **green** cord thread on 2 white crystals and 1 black seed bead. Navigate green cord through existing 2 peach crystals "A & B". Navigate **blue** cord through black seed bead just added on green cord.

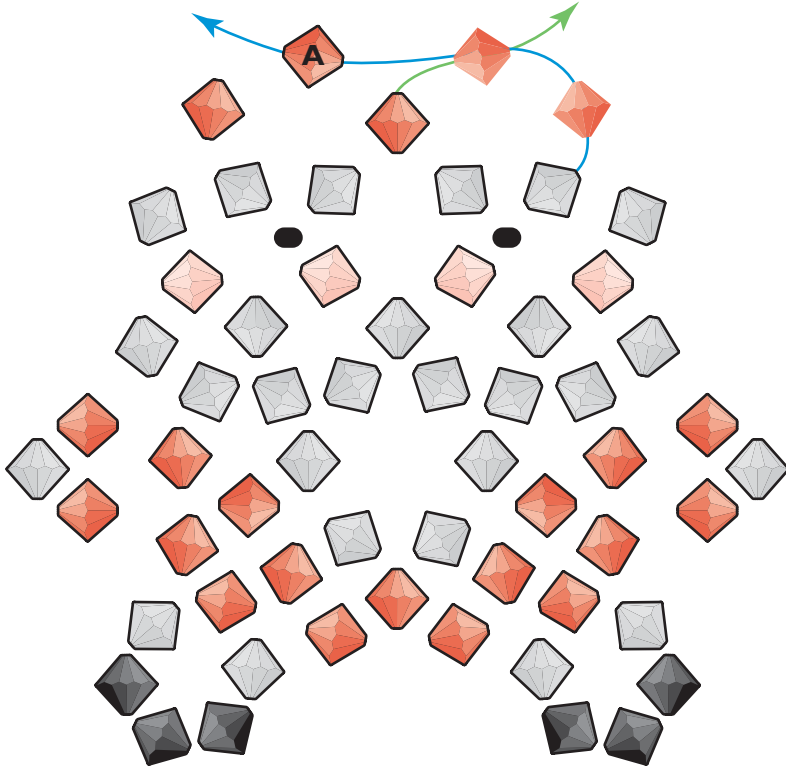

**17.** On **blue** cord thread on 2 white crystals and 1 black seed bead. Navigate blue cord through existing peach crystal "A". Navigate **green** cord through black seed bead just added on blue cord.

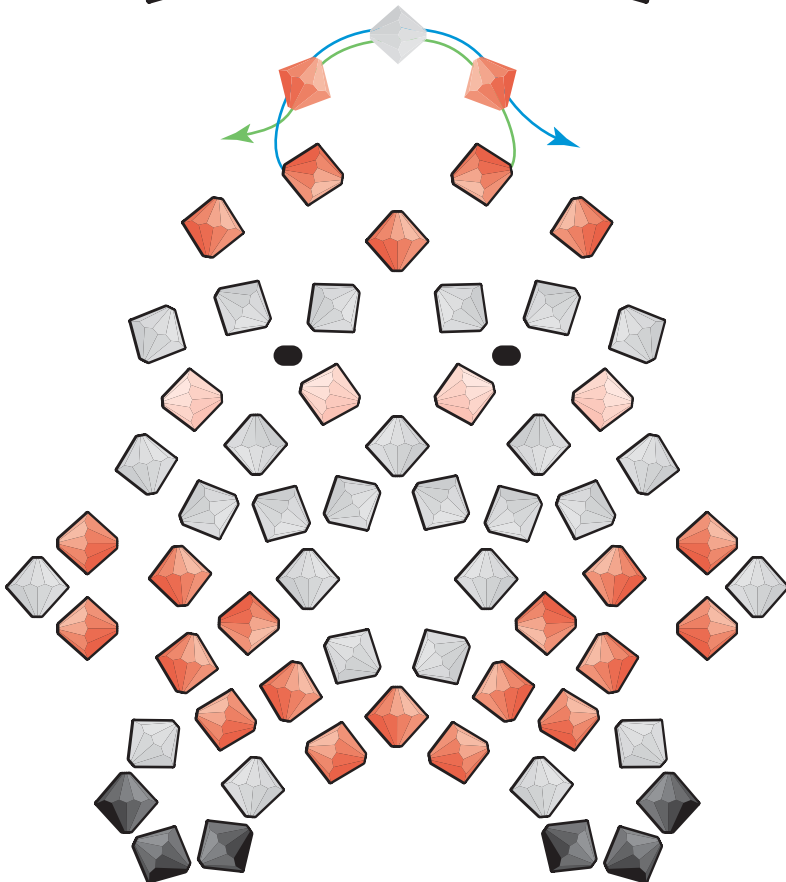

**18.** On **blue** cord thread on 2 white crystals. Navigate blue cord through existing white crystal "A". Navigate **green** cord through second white crystal just added on blue cord.

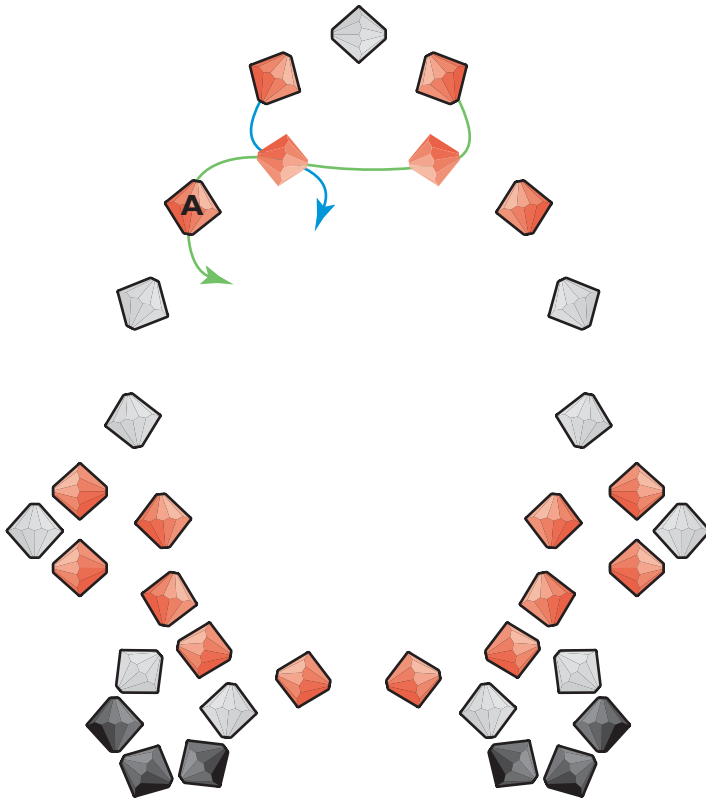

**19.** On **green** cord thread on 3 red crystals. Navigate green cord through existing 2 white crystals "A & B". Navigate **blue** cord through third red crystal just added on green cord.

**20.** On **blue** cord thread on 2 red crystals and navigate through existing red crystal "A". Navigate **green** cord through second red crystal just added on blue cord.

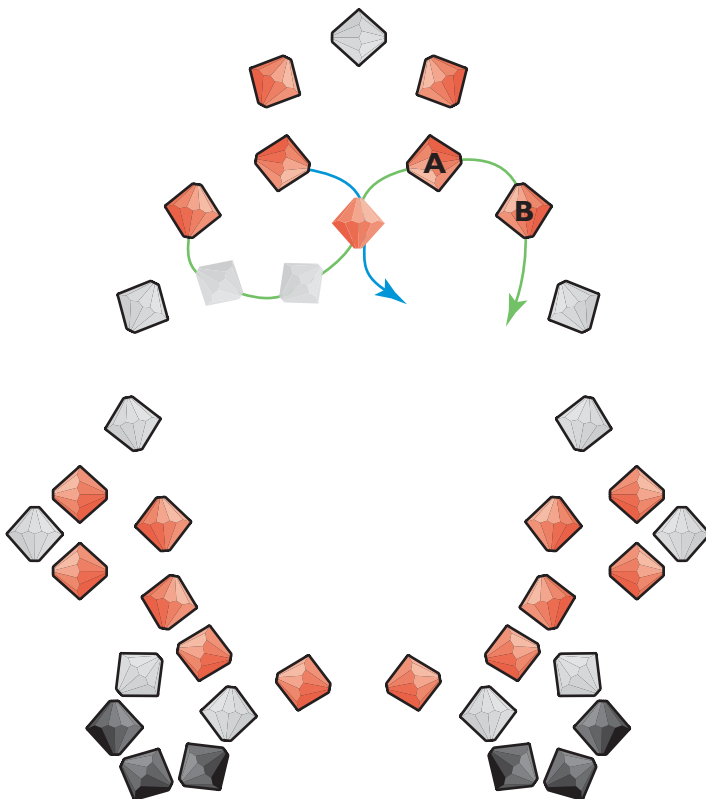

**21.** On **green** cord thread on 1 red, 1 white, and 1 red crystal. Navigate **blue** cord through all crystals just added on green cord.

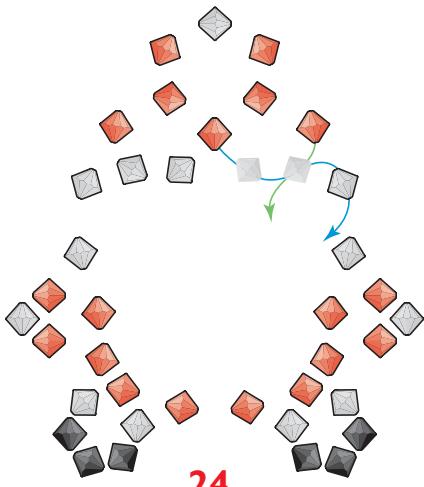

**22. START OF BACKSIDE.** Perimeter beads that are outlined in black are common beads for each side.

On green cord thread on 2 red crystals and navigate through existing red crystal "A". Navigate blue cord through second red crystal just added on green cord.

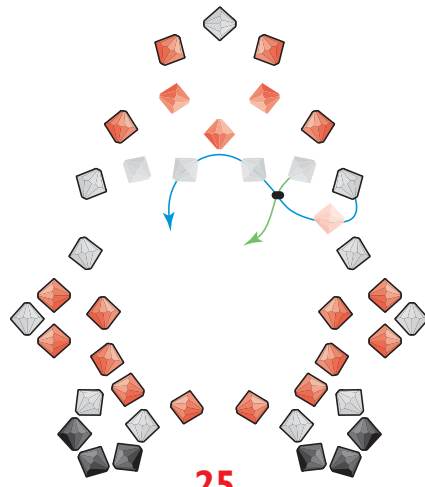

**23.** On blue cord thread on 1 red crystal. On green cord thread on 2 white crystals and navigate through red crystal just added on blue cord and existing 2 red crystals "A & B".

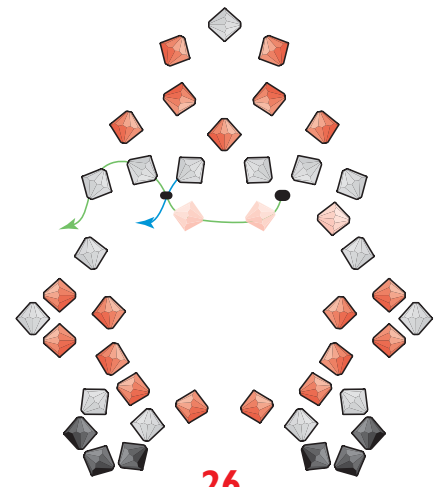

24.

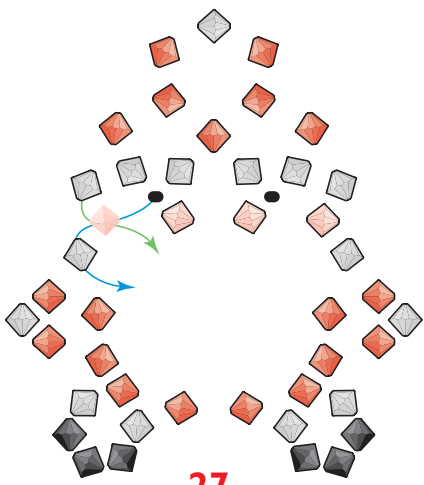

Follow same general path for back side.

38.

Where tail cords meet, tie a square knot.  
Hide tails by weaving them into several  
crystals and trim ends.

Attach cell phone strap, or whatever you  
want to hang santa charm on, at top with  
an open jump ring.
